# *INSTRUCTIONS*

To edit you can use Preview or Adobe Acrobat. You can download Acrobat for **FREE** here: <https://get.adobe.com/reader>

Highlight the menu items and start writing yours into each text field.  
Remember to save so you don't lose your info!

To keep the same look, download **Montserrat** font for **FREE** at:  
<https://www.fontsquirrel.com/fonts/montserrat>

Other free-font pairings recommendations that may be in your system:

- Helvetica
- Arial
- Verdana
